Subject Index

A

- abdominal pain, 'undifferentiated': clinical features (*tip*), September 15, p. 655
- abortion
 - misoprostol-induced, in Brazilians (*tip*), September 15, p. 664
 - recurrent spontaneous: evaluation and management (*sci*), December, p. 1451
- abuse, elder, the physician's role in preventing (*let*), November 15, p. 1223
- access to health care, is, a right? (*let*), August, p. 217
- ACE inhibitors: review of four new agents (*sci*), October, p. 851
- acetaminophen and infectious etiology in febrile children (*tip*), December, p. 1536
- adenomatous polyps, follow-up after removal of (*tip*), October, p. 884
- adolescent homosexuality: a primary care perspective (*med soc*), July, p. 33
- adolescent medicine certification, family physicians and (*let*), October, p. 734
- adolescents
 - AIDS knowledge and risk behaviors in (*tip*), November 1, p. 1136
 - high-risk behaviors and HIV in (*tip*), November 15, p. 1306
- adults
 - acute diarrhea in, bismuth for treatment of (*tip*), November 1, p. 1143
 - depressive disorder in, major, APA issues practice guideline for (*med rep*), November 15, p. 1312
 - sleep apnea in (*tip*), October, p. 921

- AIDS knowledge and risk behaviors in adolescents (*tip*), November 1, p. 1136
- air bags and manual seat belts: comparison of effectiveness (*tip*), November 1, p. 1155
- akathisia in association with nortriptyline therapy (*let*), November 1, p. 1024
- alprazolam, use of, in premenstrual syndrome (*tip*), December, p. 1522
- Alzheimer's disease, predicting survival in (*tip*), October, p. 894
- amoxicillin dosing, once-daily, for streptococcal pharyngitis (*tip*), September 15, p. 647
- anal cancer in Denmark, trends in the incidence of (*tip*), August, p. 328
- analgesia, patient-controlled, effectiveness of ketorolac and (*tip*), November 1, p. 1138
- anesthesia, local, effectiveness of, for laparoscopic sterilization (*tip*), July, p. 129
- angioplasty, repeat dilatation after abrupt closure following (*tip*), December, p. 1516
- ankle injuries, use of radiography in (*tip*), August, p. 330
- anomia as a symptom of herpes simplex encephalitis (*let*), September 1, p. 408
- antibiotic prophylaxis: update on common clinical uses (*sci*), September 15, p. 597
- antibodies, serum, in vaccinated children (*tip*), October, p. 878
- anticoagulant therapy, oral, bleeding complications in (*tip*), December, p. 1526
- anticoagulation, value of baseline PT and PTT tests before (*tip*), September 1, p. 518
- antidepressant, a new: sertraline (*sci*), August, p. 311
- antihypertensive drug use and diabetes mellitus risk (*tip*), August, p. 324
- antioxidants, atherogenesis and, oxidized LDL (*ed*), October, p. 718
- appendectomy, laparoscopic, vs. open appendectomy (*tip*), November 1, p. 1133
- apnea, sleep, in adults (*tip*), October, p. 921
- arteriovenous malformation, pulmonary, in pregnancy (*let*), November 1, p. 1032
- artery, carotid, disease, symptomatic: current management recommendations (*sci*), November 1, p. 1059
- asbestos exposure, pulmonary complications of (*sci*), December, p. 1471

- aspiration, fine-needle, of breast masses (*tip*), December, p. 1532
 - aspirin therapy, low-dose, in prevention of preeclampsia (*tip*), October, p. 915
 - aspirin use, colorectal cancer and (*tip*), December, p. 1542
 - asthma
 - childhood, environmental tobacco smoke and (*tip*), October, p. 865
 - in children, environmental factors and (*tip*), August, p. 321
 - recognition and treatment of (*FPI*), October, p. 930
 - refractory, bronchial carcinoid presenting as (*sci*), October, p. 785
 - asthma symptoms, patient education and control of (*tip*), December, p. 1510
 - atherogenesis and antioxidants, oxidized LDL (*ed*), October, p. 718
 - atherosclerosis
 - estrogen replacement therapy and (*tip*), August, p. 326
 - incidence of, in native Alaskans (*tip*), October, p. 915
 - athletes
 - 'overtraining' in, and decreased libido (*let*), October, p. 734
 - runner's diarrhea and other intestinal problems of (*sci*), September 15, p. 623
 - athletic examinations, getting more out of (*ed*), August, p. 225
 - atlantoaxial instability in Down syndrome (*tip*), December, p. 1541
- ### B
- bacterial meningitis, avoiding cerebral herniation during (*tip*), October, p. 906
 - bacterial vaginosis, intravaginal metronidazole gel for treatment of (*tip*), October, p. 925
 - baldness, male pattern, and myocardial infarction risk (*tip*), July, p. 130
 - basal cell carcinoma (*sci*), November 15, p. 1273
 - beta₂ agonists, impact of over-the-counter availability of (*tip*), November 1, p. 1150
 - bicycles, all-terrain, injuries associated with (*tip*), December, p. 1544
 - birthing, family-centered: a style of obstetrics for family physicians (*med soc*), October, p. 725
 - births, subsequent, to older women, outcome of (*tip*), September 1, p. 503
 - bismuth for treatment of acute diarrhea in adults (*tip*), November 1, p. 1143
 - bladder cancer, coffee consumption and (*tip*), November 15, p. 1292
 - bleeding complications in oral anticoagulant therapy (*tip*), December, p. 1526

body-mass index, use of, in elderly patients with bone loss (*let*), December, p. 1395
 bone densitometry
 —limitations of (*ed*), July, p. 25
 —value of (*ed*), July, p. 27
 bone loss, elderly patients with, use of body-mass index in (*let*), December, p. 1395
 bone mineral density in postmenopausal women (*tip*), December, p. 1526
 breast cancer, intraductal, conservative treatment of (*tip*), October, p. 874
 breast-fed infants, effect of maternal medication use on (*tip*), October, p. 865
 breast feeding and incidence of otitis media (*tip*), November 15, p. 1311
 breast masses, fine-needle aspiration of (*tip*), December, p. 1532
 bronchial carcinoid presenting as refractory asthma (*sci*), October, p. 785
 bronchitis, chronic, outpatient management of, in the elderly (*sci*), October, p. 841
 bronchoscopy, endoscopy and: sources of iatrogenic infection (*tip*), July, p. 132

C
 CA-125, serum, sensitivity of, as a marker of ovarian cancer (*tip*), September 15, p. 666

calcium channel blockers in the treatment of hypertension (*sci*), September 1, p. 461
 calcium intake, dietary, and kidney stones (*tip*), September 1, p. 504
 calorie counts in hospitalized patients (*tip*), December, p. 1520

cancer (*see also* carcinoma)

 —anal, trends in the incidence of, in Denmark (*tip*), August, p. 328
 —bladder, coffee consumption and (*tip*), November 15, p. 1292
 —breast, intraductal, conservative treatment of (*tip*), October, p. 874
 —colorectal, and aspirin use (*tip*), December, p. 1542
 —colorectal, mortality, fecal occult blood screening and reduction of (*tip*), October, p. 900
 —gastric, incidence of, and infection with *Helicobacter pylori* (*tip*), November 1, p. 1148
 —oral, screening, in the elderly (*ed*), August, p. 226
 —ovarian, sensitivity of serum CA-125 as a marker of (*tip*), September 15, p. 666

carbon monoxide intoxication (*sci*), November 1, p. 1100

carcinoid, bronchial, presenting as refractory asthma (*sci*), October, p. 785

carcinoma, basal cell (*sci*), November 15, p. 1273

cardiomyopathy, progressive heart failure secondary to (*tip*), December, p. 1509

carotid artery disease, symptomatic: current management recommendations (*sci*), November 1, p. 1059

carotid endarterectomy

 —for asymptomatic stenosis (*tip*), August, p. 331
 —to do or not to do (*ed*), November 1, p. 1019

carotid stenosis, diagnosis of, with Doppler ultrasonography (*tip*), November 15, p. 1299

catheter, Foley, managing (*sci*), October, p. 829

cellulitis, orbital, lumbar puncture in children with (*tip*), September 1, p. 510

cerebral herniation, avoiding, during bacterial meningitis (*tip*), October, p. 906

cerebrovascular disease, prophylactic drug therapy in (*sci*), July, p. 85

cervical epithelium, tobacco damage to DNA in (*tip*), November 15, p. 1310

chelator, lead, oral, first approved: succimer (*sci*), December, p. 1496

chest radiography, need for, in acute exacerbation of COPD (*tip*), September 1, p. 520

chickenpox, modified (*tip*), July, p. 124

child, assessment of, with failure to thrive (*sci*), December, p. 1432

childhood, acute conjunctivitis in (*tip*), July, p. 120

childhood asthma, environmental tobacco smoke and (*tip*), October, p. 865

childhood empyema, decortication in, how to avoid (*let*), August, p. 219

childhood Hodgkin's disease, second malignancy and (*tip*), December, p. 1510

childhood leukemia

 —evidence of infectious agent in (*tip*), August, p. 321
 —paternal factors in incidence of (*tip*), October, p. 866

children

 —asthma in, environmental factors and (*tip*), August, p. 321
 —acute coma in, emergency management of (*sci*), September 1, p. 473
 —cough suppressants in, effectiveness of (*tip*), October, p. 928
 —with epidural hematoma, outcome of (*tip*), September 1, p. 504
 —febrile, acetaminophen and infectious etiology in (*tip*), December, p. 1536
 —with orbital cellulitis, lumbar puncture in (*tip*), September 1, p. 510
 —with short stature, diagnosis and treatment of (*tip*), October, p. 892
 —tympanic thermometers in, accuracy of (*tip*), December, p. 1525
 —tympanostomy tube placement in, prevalence of (*tip*), November 15, p. 1305
 —vaccinated, serum antibodies in (*tip*), October, p. 878

children's medicine, 'inert' ingredients in (*tip*), November 1, p. 1152

Chlamydia trachomatis infection

 —and male infertility (*tip*), November 15, p. 1294
 —in pregnancy (*FPI*), July, p. 142
 —in pregnancy, treatment of (*tip*), November 1, p. 1156

cholelithiasis: current treatment options (*sci*), October, p. 762

cholecystectomy, laparoscopic: survey of complications (*tip*), July, p. 117

cigarette smoking, effect of, on incidence of preeclampsia (*tip*), September 15, p. 647

cigarettes, tar yield of, and myocardial infarction risk (*tip*), November 1, p. 1140

cimetidine and weight loss (*tip*), September 15, p. 648

Clostridium difficile colitis, diagnosis and treatment of (*tip*), July, p. 139

coffee consumption and bladder cancer (*tip*), November 15, p. 1292

cognitive function in the elderly (*FPI*), September 15, p. 669

cold medications, over-the-counter, value of (*tip*), November 15, p. 1302

colitis

 —*Clostridium difficile*, diagnosis and treatment of (*tip*), July, p. 139

 —collagenous: a cause of chronic diarrhea (*sci*), November 1, p. 1081

 —ulcerative, use of mesalamine and olsalazine in (*let*), November 15, p. 1234

colorectal cancer and aspirin use (*tip*), December, p. 1542

colorectal cancer mortality, reduction of, fecal occult blood screening and (*tip*), October, p. 900

coma, acute, in children, emergency management of (*sci*), September 1, p. 473

compliance

 —better: physicians making it happen (*ed*), October, p. 717
 —medication, in the elderly, glaucoma and (*tip*), November 1, p. 1136
 —patient, medication reminder charts and (*tip*), October, p. 910

conjunctivitis, acute, in childhood (*tip*), July, p. 120

contact dermatitis and urticaria from environmental exposures (*sci*), October, p. 773

contraception, helping patients choose appropriate (*sci*), November 1, p. 1115

COPD, acute exacerbation of, need for chest radiography in (*tip*), September 1, p. 520

correction

 —cholinesterase-inhibiting insecticide toxicity, September 1, p. 414
 —tension-type headaches, August, p. 220

corticosteroid therapy, osteoporosis associated with (*tip*), November 1, p. 1133

corticosteroids

 —inhaled, for pulmonary disease (*tip*), October, p. 906
 —oral, and postherpetic neuralgia (*let*), December, p. 1384

cough suppressants in children, effectiveness of (*tip*), October, p. 928

counseling patients with epilepsy (*FPI*), October, p. 930

cramps, leg, nocturnal, quinine in the treatment of (*tip*), November 1, p. 1134

cryosurgery, skin, for the family physician (*sci*), September 1, p. 445

CT, high-resolution, of the lungs (*sci*), September 1, p. 493

cultures, throat, streptococcal, positive, after treatment (*tip*), December, p. 1512

cyanide toxicity (*sci*), July, p. 107

cylindromas, dermal (*let*), December, p. 1381

cystadenoma, ovarian mucinous: evaluating the pelvic mass (*sci*), October, p. 818

cystic fibrosis, antenatal screening for (*tip*), December, p. 1535

D

- decortication in childhood empyema, how to avoid (*let*), August, p. 219
- delivery, preterm, oncofetal fibronectin and (*tip*), July, p. 134
- densitometry, bone
 - limitations of (*ad*), July, p. 25
 - bone, value of (*ed*), July, p. 27
- deprenyl, tocopherol vs., use of, in early Parkinson's disease (*tip*), July, p. 129
- depressive disorder in adults, major, APA issues practice guideline for (*med rep*), November 15, p. 1312
- dermal cylindromas (*let*), December, p. 1381
- dermatitis
 - contact (*sci*), September 15, p. 629
 - contact, and urticaria from environmental exposures (*sci*), October, p. 773
- developmentally disabled people as a culture (*let*), September 15, p. 579
- dexamethasone for treatment of severe, acute pharyngitis (*tip*), August, p. 324
- diabetes mellitus, microalbuminuria and (*sci*), December, p. 1421
- diabetes mellitus risk, antihypertensive drug use and (*tip*), August, p. 324
- diabetes
 - and intensive blood glucose control (*tip*), November 15, p. 1306
 - type II, oral hypoglycemic agents in the treatment of (*sci*), November 1, p. 1089
- diabetic neuropathy, mild, value of tolrestat in treatment of (*tip*), July, p. 120
- diarrhea
 - acute, bismuth for treatment of, in adults (*tip*), November 1, p. 1143
 - chronic, collagenous colitis: a cause of (*sci*), November 1, p. 1081
 - chronic: evaluation and treatment (*sci*), December, p. 1461
 - runner's, and other intestinal problems of athletes (*sci*), September 15, p. 623
 - traveler's (*sci*), October, p. 793
- difficult doctor-patient relationships (*let*), August, p. 218
- difficult patient, managing (*FPI*), September 15, p. 669
- digital nerve block, use of buffered lidocaine for (*tip*), September 1, p. 514
- dilatation
 - repeat, after abrupt closure following angioplasty (*tip*), December, p. 1516
 - transurethral, of the prostatic urethra (*tip*), September 15, p. 658
- domestic violence (*let*), October, p. 731
- Down syndrome, atlantoaxial instability in (*tip*), December, p. 1541
- DNA in cervical epithelium, tobacco damage to (*tip*), November 15, p. 1310
- duodenal ulcer, recurrent, *Helicobacter pylori* infection and (*tip*), September 1, p. 508

E

- eating disorders, avoidance of treatment for (*tip*), September 15, p. 663
- education, patient, and control of asthma symptoms (*tip*), December, p. 1510
- educational level, effect of, on myocardial infarction outcome (*tip*), October, p. 891
- elbow, tennis (*sci*), August, p. 281
- elder abuse, the physician's role in preventing (*let*), November 15, p. 1223

elderly

- chronic bronchitis in, outpatient management of (*sci*), October, p. 841
- cognitive function in (*FPI*), September 15, p. 669
- glaucoma and medication compliance in (*tip*), November 1, p. 1136
- oral cancer screening in (*ad*), August, p. 226
- patients with bone loss, use of body-mass index in (*let*), December, p. 1395
- emergency department, treatment of miscarriage in (*tip*), November 15, p. 1308
- empyema, childhood, how to avoid decortication in (*let*), August, p. 219
- encephalitis, herpes simplex, anomia as a symptom of (*let*), September 1, p. 408
- endarterectomy
 - carotid, for asymptomatic stenosis (*tip*), August, p. 331
 - carotid: to do or not to do (*ad*), November 1, p. 1019
- endometrial effects, tamoxifen and, after menopause (*tip*), November 1, p. 1143
- endoscopy and bronchoscopy: sources of iatrogenic infection (*tip*), July, p. 132
- endotracheal intubation, pulse oximetry during (*tip*), September 1, p. 518
- eosinophilic pneumonia, naproxen and the occurrence of (*let*), November 1, p. 1023
- epidural hematoma, outcome of children with (*tip*), September 1, p. 504
- epilepsy
 - counseling patients with (*FPI*), October, p. 930
 - juvenile myoclonic: diagnosis and treatment (*tip*), October, p. 897
- estrogen replacement therapy and atherosclerosis (*tip*), August, p. 326
- exposure history, obtaining (*sci*), September 1, p. 483
- exposures, environmental, contact dermatitis and urticaria from (*sci*), October, p. 773

F

- failure to thrive, assessment of the child with (*sci*), December, p. 1432
- 'Family Physician's Notebook'
 - diary from a week in practice (*FPN*), July, p. 61; August, p. 253; October, p. 757; November 15, p. 1243; December, p. 1415
- family practice research at the National Institutes of Health (*let*), November 1, p. 1026
- febrile children, acetaminophen and infectious etiology in (*tip*), December, p. 1536
- fecal occult blood screening and reduction of colorectal cancer mortality (*tip*), October, p. 900
- fertility, impaired, pelvic inflammatory disease and (*tip*), November 1, p. 1146
- fibronectin, oncofetal, and preterm delivery (*tip*), July, p. 134
- 'fight or flight' systems, 'weep and sleep' and (*let*), September 15, p. 580
- finasteride for benign prostatic hyperplasia, thoughts on (*let*), September 15, p. 582

- fitness activities, adult recreational, incidence of injury in (*tip*), December, p. 1519
- Foley catheter, managing (*sci*), October, p. 829
- flu vaccine, physicians and (*let*), September 1, p. 413
- fracture, hip, external protectors for prevention of (*tip*), July, p. 130
- freezing, warts removed by (*pt info*), September 1, p. 455
- frozen shoulder, clinical presentation of (*FPI*), December, p. 1548

G

- gastric cancer and infection with *H. pylori*, incidence of (*tip*), November 1, p. 1148
- generic drug approval process (*FDA*), December, p. 1357
- glaucoma
 - and medication compliance in the elderly (*tip*), November 1, p. 1136
 - open-angle, screening for (*sci*), July, p. 75
- glucose control, blood, intensive, diabetes and (*tip*), November 15, p. 1306
- gonococcal infection, disseminated, vs. meningococcal infection (*let*), August, p. 217
- gonorrhea, treatment of, during pregnancy (*tip*), July, p. 133
- grief, paternal, after a perinatal death (*FPI*), December, p. 1548
- grooming, hair, syncope and seizures due to (*tip*), October, p. 908

H

- hazardous substances, exposure to, and reproductive health (*sci*), December, p. 1441
- headache(s)
 - and HIV infection (*tip*), October, p. 880
 - tension-type, osteopathic manipulation and (*let*), November 1, p. 1023
- health care, is access to, a right? (*let*), August, p. 217
- hearing impairment, NIH recommends universal screening of infants for (*med rep*), September 1, p. 521
- hearing screening in kindergartners (*let*), November 15, p. 1226
- heart disease, ischemic, perfusion imaging in (*sci*), November 1, p. 1071
- heart failure, progressive, secondary to cardiomyopathy (*tip*), December, p. 1509
- Helicobacter pylori* eradication (*FPI*), September 15, p. 669
- Helicobacter pylori* infection and recurrent duodenal ulcer (*tip*), September 1, p. 508
- Helicobacter pylori*, infection with, incidence of gastric cancer and (*tip*), November 1, p. 1148
- hematoma, epidural, outcome of children with (*tip*), September 1, p. 504
- Hemoccult test, positive, clinical significance of (*tip*), December, p. 1516
- hepatitis B vaccine, efficacy of (*tip*), October, p. 876
- hepatitis, viral, preventing the spread of (*sci*), December, p. 1479
- herniation, cerebral, avoiding, during bacterial meningitis (*tip*), October, p. 906

herpes simplex encephalitis, anoma as a symptom of (*let*), September 1, p. 408
 hip fracture, external protectors for prevention of (*tip*), July, p. 130
 history, exposure, obtaining (*sci*), September 1, p. 483
 HIV infection (*see also AIDS*)
 —headache and (*tip*), October, p. 880
 —in adolescents, high-risk behaviors and (*tip*), November 15, p. 1306
 —mental health aspects of (*FPI*), October, p. 930
 HIV testing availability, patient knowledge of (*tip*), September 15, p. 656
 Hodgkin's disease, childhood, second malignancy and (*tip*), December, p. 1510
 homosexual men, unsafe sexual behavior in (*tip*), August, p. 330
 homosexuality, adolescent: a primary care perspective (*med soc*), July, p. 33
 hormone replacement therapy, menopausal (*tip*), September 1, p. 506
 hospice services, resources from (*FPI*), September 15, p. 669
 HTLV type I or II, recommendations issued for patients infected with (*med rep*), October, p. 936
 hyperpigmented lesions, use of topical tretinoin for (*tip*), October, p. 904
 hyperplasia, benign prostatic, thoughts on finasteride for (*let*), September 15, p. 582
 hypertension, treatment of, calcium channel blockers in (*sci*), September 1, p. 461
 hypertensive patients, efficacy of lovastatin in (*tip*), July, p. 134
 hypertrophy, benign prostatic: use of microwave treatment (*tip*), November 1, p. 1144
 hypnosis, self-, success in smoking cessation after (*tip*), December, p. 1546
 hypoglycemic agents, oral, in the treatment of type II diabetes (*sci*), November 1, p. 1089

I

immune globulins, vaccines and, in immunocompromised persons, ACIP issues recommendations for (*med rep*), August, p. 337
 impotence
 —NIH releases consensus statement on (*med rep*), July, p. 147
 —treatment of, with pentoxifylline (*tip*), October, p. 883
 incontinence
 —urinary, Kegel pelvic exercises and (*tip*), July, p. 117
 —urinary, treatment approaches for (*let*), October, p. 732
 infants
 —breast-fed, effect of maternal medication use on (*tip*), October, p. 865
 —newborns and, screening and management in: sickle cell disease (*sci*), July, p. 95
 —NIH recommends universal screening of, for hearing impairment (*med rep*), September, p. 521
 infertility, male, chlamydial infection and (*tip*), November 15, p. 1294
 insomnia, chronic, causes and management of (*tip*), November 1, p. 1147

insulin, aerosolized, efficacy of, delivered by oral inhalation (*tip*), September 1, p. 510
 intestinal problems of athletes, runner's diarrhea and other (*sci*), September 15, p. 623
 intubation, endotracheal, pulse oximetry during (*tip*), September 1, p. 518
 ischemia after myocardial infarction, significance of (*tip*), November 15, p. 1305
 ischemic heart disease, perfusion imaging in (*sci*), November 1, p. 1071
 ischemic stroke, migraine and risk of (*tip*), November 15, p. 1292

J

juvenile myoclonic epilepsy: diagnosis and treatment (*tip*), October, p. 897

K

Kegel pelvic exercises and urinary incontinence (*tip*), July, p. 117
 ketorolac, effectiveness of, and patient-controlled analgesia (*tip*), November 1, p. 1138
 kidney stones, dietary calcium intake and (*tip*), September 1, p. 504
 knee pain, anterior (*let*), December, p. 1395

L

laparoscopic appendectomy vs. open appendectomy (*tip*), November 1, p. 1133
 laparoscopic cholecystectomy: survey of complications (*tip*), July, p. 117
 laparoscopic sterilization, effectiveness of local anesthesia for (*tip*), July, p. 129
 LDL, oxidized, atherogenesis and antioxidants (*ed*), October, p. 718
 lead chelator, oral, the first approved: succimer (*sci*), December, p. 1496
 lead poisoning, AAP policy statement on screening, treatment and prevention of (*med rep*), November 1, p. 1161
 lead screening, blood
 —the argument against it (*ed*), December, p. 1371
 —the argument for it (*ed*), December, p. 1369
 LEEP, paracervical vs. intracervical block during (*let*), September 1, p. 408
 leg cramps, nocturnal, quinine in the treatment of (*tip*), November 1, p. 1134
 leukemia
 —childhood, evidence of infectious agent in (*tip*), August, p. 321
 —childhood, paternal factors in incidence of (*tip*), October, p. 866
 levodopa therapy, oral pulse, for Parkinson's disease (*tip*), October, p. 873
 libido, decreased, 'overtaining' in athletes and (*let*), October, p. 734
 lidocaine, buffered, use of, for digital nerve block (*tip*), September 1, p. 514
 life support, basic and advanced, pediatric, AHA updates guidelines for (*med rep*), December, p. 1509
 lovastatin, efficacy of, in hypertensive patients (*tip*), July, p. 134
 lumbar puncture in children with orbital cellulitis (*tip*), September 1, p. 510
 lungs, high-resolution CT of (*sci*), September 1, p. 493

Lyme disease, overdiagnosis of (*tip*), November 1, p. 1138

M

malaria prophylaxis, long-term, mefloquine in (*tip*), October, p. 884
 malignancy, second, and childhood Hodgkin's disease (*tip*), December, p. 1510
 masses, breast, fine-needle aspiration of (*tip*), December, p. 1532
 maternal medication use, effect of, on breast-fed infants (*tip*), October, p. 865
 MedWatch: the FDA medical products reporting program (*FDA*), September 15, p. 636
 mefloquine in long-term malaria prophylaxis (*tip*), October, p. 884
 membranes, premature rupture of: diagnostic and management strategies (*sci*), August, p. 293
 men, incidence of perioperative myocardial infarction in (*tip*), September 1, p. 513
 meningitis
 —aseptic, syndrome (*sci*), October, p. 809
 —bacterial, avoiding cerebral herniation during (*tip*), October, p. 906
 meningococcal infection, disseminated gonococcal infection vs. (*let*), August, p. 217
 menopausal hormone replacement therapy (*tip*), September 1, p. 506
 menopause
 —health implications and management of (*tip*), October, p. 922
 —tamoxifen and endometrial effects after (*tip*), November 1, p. 1143
 mental health aspects of HIV infection (*FPI*), October, p. 930
 mesalamine and olsalazine in ulcerative colitis, use of (*let*), November 15, p. 1234
 methanol toxicity, marked variability in (*let*), October, p. 731
 metronidazole gel, intravaginal, for treatment of bacterial vaginosis (*tip*), October, p. 925
 microalbuminuria and diabetes mellitus (*sci*), December, p. 1421
 microsurgery, vasectomy reversal by (*FPI*), October, p. 930
 microwave treatment, use of: benign prostatic hypertrophy (*tip*), November 1, p. 1144
 mifepristone and misoprostol in termination of pregnancy (*tip*), November 1, p. 1152
 migraine and risk of ischemic stroke (*tip*), November 15, p. 1292
 miscarriage in the emergency department, treatment of (*tip*), November 15, p. 1308
 misoprostol-induced abortion in Brazilians (*tip*), September 15, p. 664
 MRI for diagnosis of multiple sclerosis, use of (*tip*), December, p. 1509
 multiple sclerosis
 —neuroimaging evaluation in (*sci*), August, p. 273
 —use of MRI for diagnosis of (*tip*), December, p. 1509
 myocardial infarction
 —perioperative, in men, incidence of (*tip*), September 1, p. 513

- significance of ischemia after (*tip*), November 15, p. 1305
- myocardial infarction outcome, effect of educational level on (*tip*), October, p. 891
- myocardial infarction risk
 - male pattern baldness and (*tip*), July, p. 120
 - tar yield of cigarettes and (*tip*), November 1, p. 1140

N

- naproxen and the occurrence of eosinophilic pneumonia (*let*), November 1, p. 1023
- nausea
 - and vomiting during pregnancy (*FPI*), October, p. 930
 - and vomiting during pregnancy, treatment of (*sci*), November 15, p. 1279
- nerve block, digital, use of buffered lidocaine for (*tip*), September 1, p. 514
- neuralgia, postherpetic, oral corticosteroids and (*let*), December, p. 1384
- neurocysticercosis in the southwestern United States (*let*), November 15, p. 1223
- neuroimaging evaluation in multiple sclerosis (*sci*), August, p. 273
- neuropathy, diabetic, mild, value of tolrestat in treatment of (*tip*), July, p. 120
- newborns and infants, screening and management in: sickle cell disease (*sci*), July, p. 95
- nortriptyline therapy, akathisia in association with (*let*), November 1, p. 1024

O

- obstetrics for family physicians, family-centered birthing, a style of (*med soc*), October, p. 725
- olsalazine, mesalamine and, in ulcerative colitis, use of (*let*), November 15, p. 1234
- oncofetal fibronectin and preterm delivery (*tip*), July, p. 134
- oral cancer screening in the elderly (*ed*), August, p. 226
- oral rehydration solutions, home-mixed vs. commercial (*let*), December, p. 1381
- orbital cellulitis, lumbar puncture in children with (*tip*), September 1, p. 510
- organophosphate-containing pesticides (*FPI*), July, p. 142
- osteopathic manipulation and tension-type headaches (*let*), November 1, p. 1023
- osteoporosis
 - associated with corticosteroid therapy (*tip*), November 1, p. 1133
 - historical prevalence of (*tip*), September 1, p. 517
- otitis media, breast feeding and incidence of (*tip*), November 15, p. 1311
- ovarian cancer, sensitivity of serum CA-125 as a marker of (*tip*), September 15, p. 666
- ovarian mucinous cystadenoma: evaluating the pelvic mass (*sci*), October, p. 818
- oximetry, pulse
 - during endotracheal intubation (*tip*), September 1, p. 518
 - and *P. carinii* pneumonia (*tip*), October, p. 866

P

- Parkinson's disease
 - early, use of tocopherol vs. deprenyl in (*tip*), July, p. 129
 - oral pulse levodopa therapy for (*tip*), October, p. 873
- patellofemoral pain syndrome (*sci*), November 15, p. 1254
- paternal factors in incidence of childhood leukemia (*tip*), October, p. 866
- paternal grief after a perinatal death (*FPI*), December, p. 1548
- 'Patient Information'
 - how warts are removed by freezing them (*pt info*), September 1, p. 455
 - patient education and control of asthma symptoms (*tip*), December, p. 1510
 - traveler's diarrhea (*pt info*), October, p. 805
- pediatric basic and advanced life support, AHA updates guidelines for (*med rep*), December, p. 1559
- pelvic exercises, Kegel, and urinary incontinence (*tip*), July, p. 117
- pelvic inflammatory disease and impaired fertility (*tip*), November 1, p. 1146
- pelvic mass, evaluating: ovarian mucinous cystadenoma (*sci*), October, p. 818
- penicillin in pregnancy, appropriate dosage of (*tip*), October, p. 918
- pentoxifylline, treatment of impotence with (*tip*), October, p. 883
- perfusion imaging in ischemic heart disease (*sci*), November 1, p. 1071
- perinatal death, paternal grief after (*FPI*), December, p. 1548
- pertussis vaccine, acellular, safety of, given as a booster (*tip*), November 1, p. 1158
- pesticides, organophosphate-containing (*FPI*), July, p. 142
- pharyngitis
 - severe, acute, dexamethasone for treatment of (*tip*), August, p. 324
 - streptococcal, once-daily amoxicillin dosing for (*tip*), September 15, p. 647
- photodamage of the skin, prevention of (*FPI*), July, p. 142
- physicians, reasons patients change (*FPI*), December, p. 1548
- placenta previa, epidemiology of, in the United States (*tip*), October, p. 874
- pneumonia
 - eosinophilic, naproxen and the occurrence of (*let*), November 1, p. 1023
 - Pneumocystis carinii*, pulse oximetry and (*tip*), October, p. 866
- polyps, adenomatous, follow-up after removal of (*tip*), October, p. 884
- postmenopausal women, bone mineral density in (*tip*), December, p. 1526
- preeclampsia
 - incidence of, effect of cigarette smoking on (*tip*), September 15, p. 647
 - prevention of, low-dose aspirin therapy in (*tip*), October, p. 915
- pregnancy
 - Chlamydia trachomatis* infection in (*FPI*), July, p. 142
 - mifepristone and misoprostol in termination of (*tip*), November 1, p. 1152

- nausea and vomiting during (*FPI*), October, p. 930
- nausea and vomiting during, treatment of (*sci*), November 15, p. 1279
- penicillin in, appropriate dosage of (*tip*), October, p. 918
- pulmonary arteriovenous malformation in (*let*), November 1, p. 1032
- treatment of chlamydial infection in (*tip*), November 1, p. 1156
- treatment of gonorrhea during (*tip*), July, p. 133
- premature rupture of the membranes: diagnostic and management strategies (*sci*), August, p. 293
- premenstrual syndrome, use of alprazolam in (*tip*), December, p. 1522
- preterm delivery, oncofetal fibronectin and (*tip*), July, p. 134
- prescription labeling (*let*), September 15, p. 588
- pressure ulcers, relationship between dietary protein and (*tip*), September 15, p. 663
- preventive services task force, U.S., is back (*ed*), September 15, p. 573
- prostatic hyperplasia, benign, finasteride for, thoughts on (*let*), September 15, p. 582
- prostatic hypertrophy, benign: use of microwave treatment (*tip*), November 1, p. 1144
- prostatic urethra, transurethral dilatation of (*tip*), September 15, p. 658
- protein, dietary, and pressure ulcers, relationship between (*tip*), September 15, p. 663
- PT and PTT tests, baseline, value of, before anticoagulation (*tip*), September 1, p. 518
- pulmonary complications of asbestos exposure (*sci*), December, p. 1471
- pulmonary disease, inhaled corticosteroids for (*tip*), October, p. 906
- pulse oximetry
 - during endotracheal intubation (*tip*), September 1, p. 518
 - and *Pneumocystis carinii* pneumonia (*tip*), October, p. 866

Q

- quinine in the treatment of nocturnal leg cramps (*tip*), November 1, p. 1134

R

- radiography
 - chest, need for, in acute exacerbation of COPD (*tip*), September 1, p. 520
 - use of, in ankle injuries (*tip*), August, p. 330
- rehydration solutions, oral, home-mixed vs. commercial (*let*), December, p. 1381
- relationships, difficult doctor-patient (*let*), August, p. 218
- reproductive health, exposure to hazardous substances and (*sci*), December, p. 1441
- revolution, the second, in family practice has begun (*ed*), November 15, p. 1238
- rosacea, steroid-induced (*sci*), July, p. 67
- runner's diarrhea and other intestinal problems of athletes (*sci*), September 15, p. 623

S

- sacroiliac sprain (*let*), December, p. 1388
 seabather's eruption, etiology and treatment of (*tip*), September 15, p. 656
 scurvy: more than historical relevance (*sci*), September 15, p. 609
 seat belts, manual, air bags and: comparison of effectiveness (*tip*), November 1, p. 1155
 seizures, syncope and, due to hair grooming (*tip*), October, p. 908
 semi-occlusive wound dressings, utility of (*tip*), December, p. 1532
 sertraline: a new antidepressant (*sci*), August, p. 311
 sexual behavior, unsafe, in homosexual men (*tip*), August, p. 330
 sexual dysfunction, factors that lead men to seek help for (*tip*), August, p. 334
 short stature, diagnosis and treatment of children with (*tip*), October, p. 892
 shoulder, frozen, clinical presentation of (*FPI*), December, p. 1548
 sickle cell disease: screening and management in newborns and infants (*sci*), July, p. 95
 skin, prevention of photodamage of (*FPI*), July, p. 142
 skin cryosurgery for the family physician (*sci*), September 1, p. 445
 sleep apnea in adults (*tip*), October, p. 921
 smoke, tobacco, environmental, and childhood asthma (*tip*), October, p. 865
 smoking cessation, success in, after self-hypnosis (*tip*), December, p. 1546
 smoking cessation advice, quality of (*FPI*), December, p. 1548
 smoking, cigarette, effect of, on incidence of preeclampsia (*tip*), September 15, p. 647
 sprain, sacroiliac (*let*), December, p. 1388
 STDs, recurrence of, persons at high risk for (*tip*), September 1, p. 503
 stature, short, diagnosis and treatment of children with (*tip*), October, p. 892
 stenosis
 — asymptomatic, carotid endarterectomy for (*tip*), August, p. 331
 — carotid, diagnosis of, with Doppler ultrasonography (*tip*), November 15, p. 1299
 sterilization, laparoscopic, effectiveness of local anesthesia for (*tip*), July, p. 129
 steroid-induced rosacea (*sci*), July, p. 67
 stones, kidney, dietary calcium intake and (*tip*), September 1, p. 504
 streptococcal pharyngitis, once-daily amoxicillin dosing for (*tip*), September 15, p. 647
 streptococcal throat cultures, positive, after treatment (*tip*), December, p. 1512
 stroke, ischemic, migraine and risk of (*tip*), November 15, p. 1292
 succimer: the first approved oral lead chelator (*sci*), December, p. 1496
 syncope and seizures due to hair grooming (*tip*), October, p. 908
 syndrome X, long-term follow-up in patients with (*tip*), August, p. 322

T

- tamoxifen and endometrial effects after menopause (*tip*), November 1, p. 1143
 tar yield of cigarettes and myocardial infarction risk (*tip*), November 1, p. 1140
 tennis elbow (*sci*), August, p. 281
 tension-type headaches, osteopathic manipulation and (*let*), November 1, p. 1023
 teratogenic effects due to use of topical tretinoin (*tip*), October, p. 898
 thermometers, tympanic, accuracy of, in children (*tip*), December, p. 1525
 throat cultures, streptococcal, positive, after treatment (*tip*), December, p. 1512
 thrombosis, deep venous, noninvasive diagnostic tests for (*tip*), November 15, p. 1300
 thyroiditis: a clinical review (*sci*), September 15, p. 615
 thyrotoxicosis, causes of (*FPI*), July, p. 142
 tinea infections, superficial (*sci*), August, p. 259
 tobacco damage to DNA in cervical epithelium (*tip*), November 15, p. 1310
 tocopherol vs. deprenyl, use of, in early Parkinson's disease (*tip*), July, p. 129
 tolrestat in treatment of mild diabetic neuropathy, value of (*tip*), July, p. 120
 toxicity
 — cyanide (*sci*), July, p. 107
 — methanol, marked variability in (*let*), October, p. 731
 traveler's diarrhea (*sci*), October, p. 793
 tretinoin
 — topical, use of, for hyperpigmented lesions (*tip*), October, p. 904
 — topical, use of, teratogenic effects due to (*tip*), October, p. 898
 tuberculosis
 — in multi-drug resistant era, CDC recommends four-drug treatment of (*med rep*), September 15, p. 671
 — the national coalition to eliminate (*ed*), September 1, p. 405
 tympanic thermometers, accuracy of, in children (*tip*), December, p. 1525
 tympanostomy tube placement in children, prevalence of (*tip*), November 15, p. 1305

U

- ulcerative colitis, use of mesalamine and olsalazine in (*let*), November 15, p. 1234
 ulcer, duodenal, recurrent, infection and (*tip*), September 1, p. 508
 ulcers, pressure, relationship between dietary protein and (*tip*), September 15, p. 663
 ultrasonography, Doppler, diagnosis of carotid stenosis with (*tip*), November 15, p. 1299
 urethra, prostatic, transurethral dilatation of (*tip*), September 15, p. 658
 urinary incontinence
 — Kegel pelvic exercises and (*tip*), July, p. 117

- treatment approaches for (*let*), October, p. 732
 urticaria, contact dermatitis and, from environmental exposures (*sci*), October, p. 773
 uterine activity monitoring, home, U.S. Preventive Services Task Force releases policy statement on (*med rep*), October, p. 932

V

- vaccinated children, serum antibodies in (*tip*), October, p. 878
 vaccine
 —acellular pertussis, safety of, given as a booster (*tip*), November 1, p. 1158
 —flu, physicians and (*let*), September 1, p. 413
 —hepatitis B, efficacy of (*tip*), October, p. 876
 vaccines and immune globulins in immunocompromised persons, ACIP issues recommendations for (*med rep*), August, p. 337
 vaginal preparations, over-the-counter, problems with (*let*), September 15, p. 579
 vaginosis, bacterial, intravaginal metronidazole gel for treatment of (*tip*), October, p. 925
 vasectomy, complications of (*sci*), November 15, p. 1264
 vasectomy reversal by microsurgery (*FPI*), October, p. 930
 vegetative state, persistent, accuracy of diagnosis of (*tip*), December, p. 1542
 venous thrombosis, deep, noninvasive diagnostic tests for (*tip*), November 15, p. 1300
 violence
 —confronting: role of the family physician (*med soc*), November 1, p. 1012
 —domestic (*let*), October, p. 731
 viral hepatitis, preventing the spread of (*sci*), December, p. 1479
 vomiting
 —nausea and, during pregnancy (*FPI*), October, p. 930
 —nausea and, in pregnancy, treatment of (*sci*), November 15, p. 1279

W

- 'weep and sleep' and 'fight or flight' systems (*let*), September, p. 580
 weight loss, cimetidine and (*tip*), September 15, p. 648
 women
 —older, outcome of subsequent births to (*tip*), September 1, p. 503
 —postmenopausal, bone mineral density in (*tip*), December, p. 1526
 wound dressings, semi-occlusive, utility of (*tip*), December, p. 1532
